LORIS

The Loris collection is a blend of subtlety and softness with a touch of distinctive colours. An elegant combination of colours gives a unique look to your bathroom. This collection has been designed for enthusiasts of warm colours combined with classical white decor.

A soft decor adds subtlety to the composition. Our wide variety of basic tiles will help you to develop a unique interior design, while the structure of the tiles creates a distinct depth effect. The horizontal arrangement of wall tiles can visually expand your bathroom and floor tiles will brighten up the room with any colour tone on the walls. Glass strips add an interesting accent to the collection.
